

# Double Your Gift to High Meadows

*Does your company or your spouse's company offer a matching gift program?*

Dozens of companies show their support of elementary and secondary educational institutions by doubling or sometimes tripling the gifts that their employees make to charitable organizations.

To have your gift matched:

- Request a matching gift form from your company's Human Resource office.
- Fill out the form and simply mail it, along with your gift, to High Meadows School. We'll take care of the rest.
